New Contract Employee — First Two Weeks Onboarding Checklist

DCI Consultants Private Limited. Document owner: DCI Human Resources. Applies to all new contract employees deployed to client locations. Version 1.0, October 2026.

Employee Details

Employee Name	
Job Title	
Client Company / Department	
Reporting Location	
Employment Start Date	
Client Supervisor	
DCI HR Contact	
Contract End Date	

Before the First Working Day — Preparation

Employee

[ ] Sign and return the DCI employment agreement.

[ ] Read the employment terms, salary, allowances, working hours and leave entitlements.

[ ] Submit required onboarding documents using DCI's approved secure channel.

[ ] Confirm reporting location, time, dress code and client contact person.

[ ] Check transport and reporting arrangements.

DCI HR

[ ] Confirm the contract, job description and assignment details.

[ ] Verify work authorisation and permitted deployment arrangements, where applicable.

[ ] Coordinate reporting instructions with the client.

[ ] Verify payroll details and prepare the employee record.

[ ] Send the employee's welcome and reporting instructions.

Week 1 — Orientation and Job Familiarisation

Day 1 — Reporting and Workplace Introduction

[ ] Report to the designated client location on time.

[ ] Meet the client supervisor and team members.

[ ] Complete required security registration and visitor or staff pass application.

[ ] Attend the client's workplace orientation and safety briefing.

[ ] Understand working hours, lunch arrangements and attendance procedures.

[ ] Receive initial job assignments and reporting instructions.

[ ] Confirm successful first-day reporting with DCI HR.

Expected outcome: Employee knows where to report, who supervises their work and what is expected.

Day 2 — Employment Administration and Policies

[ ] Confirm that the employment contract and applicable written employment terms have been received.
[ ] Verify personal details, payroll information and emergency contact.
[ ] Understand salary payment arrangements, CPF where applicable, allowances and claims.
[ ] Understand annual leave, medical leave and absence-reporting procedures.
[ ] Review DCI's Code of Business Conduct and Ethics.
[ ] Confirm the HR contact for employment-related queries.

Expected outcome: Employee understands the employment relationship with DCI and key contractual obligations.

Day 3 — IT Access and Information Security

[ ] Receive required laptop, workstation and other authorised equipment, if applicable.
[ ] Activate client email and system accounts where required.
[ ] Complete multi-factor authentication and cybersecurity training.
[ ] Understand password, confidentiality and personal-data protection requirements.
[ ] Learn the approved procedures for storing, transferring and accessing client information.
[ ] Report outstanding access or equipment problems to the client supervisor and DCI where appropriate.

Expected outcome: Employee can perform authorised duties securely.

Day 4 — Job Scope and Work Processes

[ ] Review the job description and expected deliverables with the client supervisor.
[ ] Understand daily tasks, reporting routines and deadlines.
[ ] Learn relevant standard operating procedures and technical processes.
[ ] Identify the main systems, tools and resources needed for the role.
[ ] Understand how to escalate job-related problems.
[ ] Record any differences between the actual duties and agreed job scope and inform DCI HR.

Expected outcome: Employee understands the assigned role and work priorities.

Day 5 — End-of-Week Review

[ ] Review work progress and outstanding issues with the client supervisor.
[ ] Confirm that essential access, equipment and training have been provided.
[ ] Identify knowledge gaps or areas requiring further guidance.
[ ] Confirm the correct attendance, timesheet and reporting arrangements.
[ ] Provide a short first-week status update to DCI HR.
[ ] Agree on priorities for Week 2.

Expected outcome: Major onboarding issues are identified and corrective actions assigned.

Week 2 — Work Integration and Performance

Day 6 — Independent Work

[ ] Begin handling assigned tasks with an appropriate level of supervision.
[ ] Follow established procedures and service standards.
[ ] Communicate task progress and any expected delays.
[ ] Seek approval before performing unfamiliar, restricted or high-risk activities.

Day 7 — Team Collaboration

[ ] Attend relevant team meetings and work discussions.
[ ] Understand communication and reporting expectations.
[ ] Establish effective working relationships with relevant colleagues.
[ ] Confirm escalation channels for operational and personnel issues.

Day 8 — Compliance and Work Quality

[ ] Review the quality and accuracy of completed assignments.
[ ] Follow client security, confidentiality and safety requirements.
[ ] Ensure assigned tasks remain within the agreed job scope and authorised access.
[ ] Complete any outstanding mandatory training.
[ ] Report any workplace, ethical or operational concerns promptly.

Day 9 — Performance and Development Discussion

[ ] Seek feedback from the client supervisor.
[ ] Identify strengths, improvement areas and training requirements.
[ ] Confirm deliverables and expectations for the coming weeks.
[ ] Raise unresolved employment or administrative issues with DCI HR.

Day 10 — Final Onboarding Review

[ ] Confirm the employee understands the job scope and reporting arrangements.
[ ] Verify that required equipment, access and training are complete.
[ ] Confirm awareness of leave, medical, attendance and payroll procedures.
[ ] Resolve or assign ownership for outstanding onboarding issues.
[ ] Confirm the next performance review or check-in date.

Expected outcome: The employee is operationally integrated, or a documented support plan is in place.

Important Procedures for DCI Contract Employees

Attendance, Leave and Medical Certificates

[ ] Follow the client's attendance procedures and DCI's employment policies.
[ ] Inform both the client supervisor and DCI HR promptly when unable to report for work.
[ ] Apply for leave through the prescribed process and obtain the required approval.
[ ] Submit medical certificates through the authorised channel within the applicable deadline.
[ ] Complete timesheets where required for attendance verification and customer billing.

Workplace Conduct

[ ] Act professionally and respectfully towards client employees, colleagues and visitors.
[ ] Comply with DCI's Code of Business Conduct and Ethics and applicable client policies.
[ ] Do not engage in harassment, bullying, discrimination, dishonesty or other misconduct.
[ ] Protect confidential business information and personal data.
[ ] Do not share passwords, accounts or sensitive files through unauthorised channels.
[ ] Do not photograph, record or disclose restricted information without authorisation.

Safety and Incident Reporting

[ ] Follow all applicable workplace safety procedures.
[ ] Report hazards, unsafe working conditions and work-related injuries immediately.
[ ] Notify the client supervisor and DCI HR of any work injury as soon as possible.
[ ] In an emergency, follow the site's emergency procedures and contact emergency services where necessary.

Changes to Assignment

Employees must inform DCI HR if the client requests significant changes to:

[ ] Job responsibilities or designated work location.
[ ] Working hours, shifts or overtime arrangements.
[ ] Reporting structure or deployment arrangements.
[ ] Contract duration or employment terms.

Changes affecting the employment agreement should be reviewed and authorised by DCI before implementation.

DCI HR Two-Week Follow-up Checklist

Verification Item	Status
